

Sutton & Epsom RFC
An amateur community rugby club

Join our Medical Team

Sutton and Epsom RFC are actively looking to expand our medical team for the 2021/2022 season and beyond.

We are looking to recruit enthusiastic and motivated Therapists to cover regular evening injury clinics (specific evenings to be discussed), and match day pitch-side cover (Saturdays and/or Sundays).

Clinic involves assessment, treatment and rehabilitation, as well as concussion management for any playing member of the club. Match-day cover to include pitch-side first aid, pre-match taping/strapping and massage, post-match assessments at both home and away fixtures.

Essential Requirements:

- Degree in Physiotherapy/Sports Therapy/Sports Rehab/Osteopathy or equivalent
- Registration with appropriate governing/regulatory body (HCPC, BASRaT, GOsC etc.)
- Personal Liability/indemnity insurance
- Pitch-side first aid qualification
- Pitch-side experience preferably rugby
- Taping/strapping experience

Desirable attributes:

- Concussion awareness
- Sports massage qualification

Founded in 1881, Sutton & Epsom RFC is one of the oldest active Rugby Clubs in the world with a proud and magnificent history, and today is one of the largest amateur clubs in the Country. Rugby Lane is ideally located on the South West London and Surrey borders, with easy access to London and the Home Counties. The Club is very positive and forward-looking with a great atmosphere and vibrancy throughout, it remains run by enthusiasts for enthusiasts.

We currently run six senior Men's sides and two Women's sides. We also have one of the largest and best run mini and junior rugby sections in the country. Our outstanding coaches have a wealth of experience having played and coached at International and Premiership levels. With a superb medical team and gym facilities, we have a lot to offer prospective club members.
